Actual pack quants		7	21	217	252	

Traffic categories - Pedestrian only (P), Light duty inc driveways (L) & Commercial (C) - * Subject to direction of traffic

All block statistics per sq.m. could potentially be rounded up to the nearest whole unit. When multiplied over a large area to get an overall volume it can result in a small excess being incurred. Generally for CBP quantities an extra of approx. 10% is suggested to account for natural wastage and cutting. Brett Landscaping cannot be held responsible for any excess or shortfall of units resulting from these statistics.
