2	12
3	20

corner piece	no/pack
5	4
6	4
7	4

All block statistics per sq.m. could potentially be rounded up to the nearest whole unit. When multiplied over a large area to get an overall volume it can result in a small excess being incurred. Generally for CBP quantities an extra of approx. 10% is suggested to account for natural wastage and cutting. Brett Landscaping cannot be held responsible for any excess or shortfall of units resulting from these statistics.
