

## Product Information

Brett GeoCeramica is a hybrid ceramic and concrete paving flag. The Fiordi range takes its inspiration from premium rippled sandstones but with the added benefits of modern porcelain paving and the installation ease of concrete flags.

Available in a single plan size, two thicknesses and three colours as standard, Fiordi has a wide variety of domestic paving applications.

The 40mm thick hybrid product is designed for external use and has spacer nibs built into its concrete layer to assist with protecting the ceramic edges during transit.

The matching 10mm thick 'ceramic only' accessory is suitable for external detailing and internal flooring.

Brett GeoCeramica Fiordi comes as standard in single size packs.

Externally, Brett GeoCeramica pavements should be designed and constructed in accordance with the basic principles of BS 7533, however a guidance document that includes further help is available on request.

## Product Specifications

Product type	Ceramic tile with a pre-bonded cementitious water permeable drainage layer.	
Manufactured and tested to	BS EN 1339 : 2003	BS EN 12004-2 : 2017 BS EN 14411 : 2012
Bending strength	Class 2 ≥ 4.0 MPa with no individual result ≤ 3.2	
Breaking load	Class 45 - Characteristic breaking load 4.5KN	
Weather resistance	Pass	
Slip / skid resistance	R11	
Tolerance on working dimensions	Thickness ±2mm ; Plan ±2mm ; Diagonals ±2mm	
Initial adhesion	≥ 0.5 N/mm <sup>2</sup>	
Adhesion after water saturation	≥ 0.5 N/mm <sup>2</sup>	
Adhesion after heat load	≥ 0.5 N/mm <sup>2</sup>	
Adhesion after freeze/thaw loading	≥ 0.3 N/mm <sup>2</sup>	

## Product Pack Details

Nominal Plan Size (mm)	Code	Working Plan Size (mm)	Thickness (mm)	Typical units per sq.m.	Units per pack	Area sq. m per pack	Pack weight (kg)
<b>Domestic Single Sizes</b>							
600 x 600	GCFB10	595 x 595*	10	2.78	3	1.08	22
600 x 600	GCFB40	595 x 595*	40	2.78	28	10.08	882

Add FU / GR / SA to the product code to specify the colour. For example the code for GeoCeramica Fiordi 600 x 600 x 40 in Fumo (FU) would be GCFB40FU.

\* Working Plan dimensions are measured exclusive of nib protrusions.

## Standard Colours

Fumo (FU)

Grigio (GR)

Sand (SA)
